General Aviation Executive Service

Meet & Fly

We have introduced the above services to accommodate our most elite passengers who value their time and privacy and appreciate individual attention in a comfortable environment.

We offer:

- dedicated airport staff trained in diplomatic protocols,
- perfect conditions for working or relaxing, both before or after travel,
- courtesy security check, passport and customs control,
- express check-in and transportation to the aircraft,
- spacious car park located very close to the terminal entrance.

Your benefits:

- saving time: we reduce your airport procedures to the minimum, thereby allowing you to arrive as late as 20 minutes before your departure. We offer rooms perfectly suited for business meetings before or after your travel,
- no need to deal with formalities: our experienced airport staff will handle your luggage and documents, organise your stay at the airport and smoothly transfer you to the aircraft,
- safety and comfort: a separate check-in, security check and waiting area guarantees your discretion. The comfortably furnished and stylish VIP Lounge and Executive Lounge will help you relax before your travel,
- reassert your status: with our business packages, you belong to the most exclusive group of the Wrocław Airport passengers.
