

By car

The Wrocław Copernicus Airport is located in the south-west part of Wrocław, about 10 km away from the city centre, near Wrocław motorway bypass, which makes the airport easily accessible for passengers driving from Warsaw along the S8 road, from Poznań along the national road no. 5, as well as for those driving to the airport from the south, along the national road no. 8 and for the passengers driving along the A4 motorway.

HOW TO GET TO THE AIRPORT (190 Graniczna Street, 54-530 Wrocław)
